

# Five Sparrows, LLC

## Online Business Expo for Chambers

### What Do Chamber Members Get?

- Versatile Expo Booth Space** - Members get their own unique 3-page micro web site featuring web address, business contact info, logos, banners/photos, online coupons, ad space, marketing flyers/brochures, business description paragraphs, and more
- Affordable Web Advertising** - Expo booths can be used as a primary web site, or can be used to promote and drive additional traffic to an existing business site
- Effective Web Marketing & Promotion** - Members can upload additional brochures, price lists, menus, flyers, advertisements, etc. for free
- Search Engine Visibility** - Expo booths are fully search engine optimized and automatically indexed by Google for higher search engine rankings so members can be found easily on the web
- Interactive Contact Info** - Booths include live links to members' web sites, 1-click info request forms, and spam-protected email addresses
- Manageable Corporate Identity & Branding** - Members can add their business logos, banners, and photos to display in their online Expo booths
- Online Coupons** - Members can add unlimited printable coupons to their booths to promote special offers, discounts, or money-saving coupons
- Google Map Links** - Seamlessly integrated with Google Maps, the most popular web destination and location application available on the web today. With 1 click, member businesses are displayed directly on Google maps with driving directions, satellite imaging, and map bubble contact information.
- Web Hosting & Storage** - Members get free web hosting and storage space for their Expo booths, images, logos, ads, coupons, and uploaded marketing materials.
- Free Premium Listing** - Includes a free premium listing in Michigan Biz Search, including a directory listing with full contact info, entry into two business categories of their choice (for category searches), and much, much more!

Five Sparrows offers a wide variety of services to help make marketing easier for small businesses. From complete Details, Products, Services, etc.

To create an effective web site, your focus should be on creating a custom-designed, purpose-built site that will target the appropriate market segments. A great site will present an image of credibility for your company.

Five Sparrows also knows that small businesses sometimes don't market their businesses on a regular basis because of tight budgets, staff limitations, or not knowing where to turn for help. We specialize in helping small
