WebCare Maintenance

Introducing the NEW WebCare Plan from
Five Sparrows!

WebCare Plans Combine Affordable Web Site Maintenance with Search Engine Reporting — Together in a Convenient, Quarterly Plan

Now you can take advantage of a web site maintenance plan that matches your business' needs and budget, while monitoring your site's progress in the search engines at the same time.

Introducing the new WebCare Plan from Five Sparrows, a versatile new web site maintenance option that brings you the same comprehensive web services you've come to rely on, plus the ability to monitor your site's positions in the major search engines and track changes and trends over time.

With a WebCare Plan, you can select among 6 individual services that can be performed during a given quarter, or you can automate the process by letting Five Sparrows select the appropriate services for you each quarter.

WebCare Plans are annual plans (billed quarterly), and include a variety of web site options or your choice of SEO analysis reports each quarter. Available services are listed in the column at right.

If you're looking for a way to monitor your web site's positions in the search engines and cover your web site maintenance needs in a single, affordable plan, please call us today to get started with a WebCare plan for your small business!
